

Most passengers that sail with Raise the Sail Foundation have never been on a sailboat before. We've provided a list of what you should expect and bring for your sailing trip. We have plenty of storage space so be sure to come over prepared, rather than under prepared.

## **WHAT TO BRING:**

- Sunscreen
- Sunglasses
- Towel
- Camera
- Jacket
- Sweatshirt
- Snacks
- Water (we have if you forget)
- Hat with clip (we can provide if needed)
- Prescription Medication

Sailing can be unpredictable as wind dictates the event. We prefer to be ready for anything. Please have all your necessities like medication available for our staff to access if needed. We will always have extra supplies if you forget something at home. We look forward to having you aboard and sharing in this adventure!
